

Report on ‘One-Day International Seminar on *Entrepreneurship in Mizoram*’.

26th August, 2025

The Entrepreneurship Knowledge Cell, Government Saitual College, organized a One-Day International Seminar on Entrepreneurship in Mizoram on 26th August 2025 at GSC Auditorium. The programme commenced at 10:30 a.m., with Mr. Lalramchuanzela, Executive Director of the Mission Foundation Movement, Mizoram, serving as the resource person.

The session was chaired by Mr. J. Lalfakzuala (Asst. Professor, Dept. of Economics), who formally introduced the resource person and extended a warm welcome to him. He also gave a brief introduction of the students and teaching faculty present at the seminar.

The resource person, Mr. Lalramchuanzela then gave a presentation on “*Youth and Job Opportunities: Ways to Earn a Livelihood.*” In his address, he emphasized that success is not a competition with the world, but with oneself. He highlighted the fact that government or white-collar jobs are not meant for everyone, and that blue-collar jobs involving hands-on physical work play a crucial role in strengthening the economy.

He introduced the students to various skill development courses under the National Skill Development Council (NSDC), India, explaining the benefits of skill training and the employment opportunities that such courses can provide. He further underlined the importance of soft skills, calling them the core element of success in entrepreneurship.

Encouraging students to set clear goals for their future, he offered valuable guidance to those interested in starting their own businesses. He familiarized them with several government subsidy schemes that provide financial assistance to individuals and groups setting up new businesses, such as MSME schemes, North Eastern Development Finance Corporation (NEDFi), Pradhan Mantri Mudra Yojana (PMMY), Credit Guarantee Trust Fund under MSME, and the Pradhan Mantri Kaushal Vikas Yojana (PMKVY).

The seminar concluded with his inspiring message, urging students to stay away from immoral indulgences, nurture a strong desire for success, and remain determined in their endeavours. His talk was not only informative but also motivational, instilling in the students the importance of skill, discipline, and entrepreneurship in shaping a prosperous future.
